Honourable Members,

Thank you for your letter summarising the discussions you held at the extraordinary meeting of the chairpersons of COSAC on 16 June. I have taken note of, and am grateful for, your contributions.

In relation to your remarks on the MFF and recovery plan, I can reassure you that I am doing my utmost to secure an agreement at the very earliest opportunity. I am currently engaging in intense bilateral discussions with Leaders and I plan to present a concrete negotiation proposal in advance of the European Council of 17-18 July.

On the Conference on the Future of Europe, the project has recently come closer to fruition with the approval of a Council mandate to open inter-institutional discussions. While issues such as the scope, governance and functioning of the Conference are therefore yet to be agreed between the institutions, I am confident that the involvement of national parliaments will constitute a valuable contribution. I hope we can work successfully towards the Conference's launch in the very near future.

I thank you once again for your contributions and wish you the very best for COSAC's future endeavours.

Yours faithfully,

Charles MICHEL
